

★ OH! MY HEAD! ★

Suffering of a New Jersey Senator—Dyspepsia, Sick Headache—Terrible Things.

When the stomach is torpid it becomes clogged with half digested matters, the blood becomes impure and the entire organism falls into a morbid condition. The organs of the body are affected, and the result is a train of symptoms, such as dyspepsia, sick headache, dizziness, nervousness, palpitation of the heart, pain in the back, loss of appetite. There are few things that I believe in with all my heart and it affords me pleasure to tell of one of them. The speaker was Dr. Kennedy, of New York, head of the large firm, 82 Park Place, N. Y., and the scene his office. "I was sick and feared I had come to endure the

Tortures of Dyspepsia

And a dangerous affection of the kidneys. A relative said to me, "Why don't you try Dr. Kennedy's Favorite Remedy, made at Rondout, N. Y. I did so. I grew steadily better. I could eat, digest, sleep, and work with a clear head and the yellow color of my skin has given place to the tones that announce pure blood and every organ of the body in healthy action. Dr. Kennedy's Favorite Remedy is entitled to the credit of saving my life. If any one has a doubt about the truth of my statements let him write to me. I can give you the names and addresses of fifty persons who affirm, as I do, that 'Favorite Remedy' has been to them a help and a blessing in time of need." A. Delverre, Rondout, N. Y., says: "For a long time I was troubled with severe attacks of dyspepsia and sick headache, and I suffered for many years with these complaints and was cured by

Blind Sick Headache

Due to impure blood and a disordered state of the system. I was advised to try Dr. Kennedy's Favorite Remedy, of Rondout, N. Y. I did so and have been completely cured. It's the best thing I ever heard of for any disorder of that kind. I have recommended it to many with like success." Daniel F. Fils, Tinton, Mass., says: "I recommend Dr. Kennedy's Favorite Remedy to all who suffer from sick headache. I suffered for many years with these complaints and was cured by

CHRONICLES OF THIS CITY.

TO-DAY'S LOCAL NEWS, AND SOME NOTE AND COMMENT.

In the Circuit Court, Kingston—Three Successful Fairs Being Held—A Tow from New-York Arrives in Rondout—Chat-By-the-Way.

"Now being making good resolutions for 1890."

CHURCH AND FIREMEN'S FAIRS

New Being Held in Kingston and Rondout—Young Folks Have Merry Times.

The fair of Rapid Hose Company No. 1 of Rondout, at Washington Hall, thus far, has been largely attended, and the organization will realize a small sum of money from the venture. Last night the hall was filled with a merry throng of young people, who enjoyed themselves dancing until a late hour.

The "Rapids" are highly pleased with the liberal patronage their fair has received.

It must have been a pleasure to the ladies and gentlemen who are taking an active part in the fair of St. Mary's Catholic Church, Rondout, when they witnessed the large throng of people who crowded into St. Mary's Parochial School, where the fair is being held, last night.

And much attention was bestowed on the several books. A rich display of silverware can be seen on St. Mary's Booth.

There is also a portrait of the Very Reverend, the Pastor of the Church. Four walls, dressed alike, attract the attention of children. A picture of the Rev. M. C. O'Farrell, a former Pastor of St. Mary's Church, is one of the pleasing features of St. Joseph's Booth.

A handsome dish is offered for sale by the young ladies in charge. St. Mary's Booth is devoted to fancy table covers, toilet sets, a winsome bride, etc. The School Children's Booth creates amusement. Among other things there is a representation of the "Old Woman in the Shoe." Fifty-four dolls make up her family, which probably accounts for her lament that "she has so many children she does not know what to do."

The young ladies, however, know what to do with the children, if any one intimates that they wish to adopt one. The refreshment stand is embellished with a handsome collection of oil paintings, executed by Miss J. Flynn, a daughter of Alderman P. J. Flynn. Miss Flynn has charge of this table.

Her hands are not idle, as she is painting a picture of the "Old Woman in the Shoe." The fair will be continued for two weeks.

The fair being held in the parochial school building of St. Joseph's Catholic Church, Kingston, is attracting large crowds of people. The various tables under the competent management of the ladies are well patronized and large sales are being made.

The scene last night was a very lively one. Young ladies flitted to and fro through the crowd securing "chances" for many handsome articles. Among the articles voted are two gold watches—one a lady's watch and the other a gentleman's watch. The fish pond seemed to be an attractive spot. The book was baited with a nickel every few minutes and a fish worthy of the bait was invariably drawn out. At the refreshment table large sales were made. During the evening dancing was indulged in. The floor was kept well filled with merry dancers until the closing hour. The general admission to this fair during ordinary nights is 10 cents; holiday nights the admission is 25 cents. On Christmas Night \$500 will be in the door.

The Rev. M. Conroy has a pleasant word for every one. He is an energetic man in all that pertains to the church, and socially is greatly liked.

The following are the Committees: Mrs. J. McKiernan, Miss Ella Nolan, Mrs. W. Reynolds, Miss Mary McLearen, Miss Sarah McLearen, Miss Catherine McLearen, Miss Sarah VanBuren, Miss Elizabeth Coffey, Miss Mary Coffey, Mrs. J. Albrecht, Mrs. J. H. King, Mrs. J. McBrien, Mrs. Hume, Mrs. N. Schinner, Miss M. Kiernan, Miss Lillian Parsons, Miss Anna Parsons, Miss Mary Fallon, Miss Catherine Scott, Miss N. Scott, Miss Anna Scott, Miss Bridget O'Reilly, Miss Mary Barrington, Miss Anna Barrington, Miss Mary Reed, Miss Margaret Mooney, Miss Margaret Pellan, John B. Reilly, William Reilly and Christopher Cooper.

ICE EMBARGO ENDED HEREBABOUT.

A Cornell Tow Arrives in Rondout, this Forenoon, from New-York City.

The ice in the Hudson River from Rondout to a point near Albany is moving, as THE FREEMAN, last evening, prophesied it would. The ice is gradually breaking up, wearing away, and floating in the direction of the ocean with each succeeding south tide. Some of the ice is of a clay-red color. This was formed where the water was shallow, and after the sun's rays struck it, on such a day as Wednesday last, it disappeared rapidly.

The ferry boat Transport made its first trip across the Hudson from Rondout to Rhinecliff, this morning, without the least trouble. On its second trip, however, it encountered much floating ice and was a long time in getting into its slip, which had become choked with stray remnants of the icy debris.

Yesterday afternoon the propeller S. L. Crosby, of the Cornell Steamboat Company's line, left New-York City with a tow, consisting of four tug boats, and came to anchor for this port. The steamboat Norwich was dispatched from here to go and meet and take the Crosby's tow. The "Old Ice King" arrived at Rondout at about 10 o'clock this forenoon.

OH! MY HEAD!!

Suffering of a New Jersey Senator—Dyspepsia, Sick Headache—Terrible Terrors.

When the stomach is torpid it so becomes clogged with food; the blood becomes vitiated and foul; the other organs fail to act normally and the brain, in turn, suffers from dyspepsia, sick headache, dizziness, nervousness, palpitation of the heart, pain in the back, loss of appetite.

"There are few things that I believe in with all my heart and it affords me pleasure to tell of one of them." The speaker was ex-Senator Albert Merritt, head of the large fruit firm, 85 Park Place, N. Y., and the scene his office. "I was sick and feared I had become fatigued to endure the

Tortures of Dyspepsia

And a dangerous affection of the kidneys. A relative said to me, "Why don't you try Dr. Kennedy's Favorite Remedy, made at Rondout, N. Y.?" I did so. I grew steadily better. I could eat, digest, sleep, and work with a clear head and the yellow color of my skin had given place to the tones that announce pure blood and every organ of the body in healthy action. Dr. Kennedy's Favorite Remedy is entitled to the credit of saving my life. If any one has a doubt about the truth of my statements let him write to me. I can give you the names and addresses of fifty persons who affirm, as I do, the "Favorite Remedy" has been to them a help and a blessing in time of need." A. DeLoraine, Rondout, N. Y., says: "For a long time I was troubled with severe attacks of dizziness and

Blind Sick Headache

Due to impure blood and a disordered state of the system. I was advised to try Dr. Kennedy's Favorite Remedy, made at Rondout, N. Y. I at once and have been completely cured. It's the best thing I ever heard of for any disorder of that nature and I have recommended it to many with like success." Daniel Fitz, Tinton, Mass., says: "I was troubled with sick headache. James R. Greary, of Montgomery, has instituted a civil damage suit for \$10,000, against Daniel F. Bull, owner of the Palace Hotel in that village, and its manager, Ezra Van Wagner, on account of injuries received by his son, while intoxicated, from liquor at the hotel, which was procured at that hotel.

One day recently a colored man servant in a Middletown residence, finding steam escaping from the safety-valve of a steam-heating boiler, placed the weight on, turned on all the drafts, and the furnace with coal and "left the boiler to take care of itself."

When the man's employer came around he found the steam gauge had ceased to record the pressure. The water had been boiled off, evaporated, and an explosion would have occurred, probably, in a few minutes had not the discovery been made.

A Rhinebeck Opinion.

(From the Rhinebeck Gazette.)

THE KINGSTON FREEMAN says:

"A Rhinebeck barber remarks that if he had headed men would rub their bare pate with

sturgeon oil every night for a month, that they would be able to raise a crop of hair."

Better rub with a Havershaw brick.
